

People with Disabilities CAN Quit Smoking!

The Quitline can help.

The NYS Quitline offers a variety of services to support your needs.

Get help to quit smoking or vaping with **one-on-one phone, online, and text messaging support, plus free**

A healthy you!

If you are a person with a disability, health risks from using commercial tobacco may be higher.

Smoking can even worsen or increase the risk of other serious illnesses like diabetes or heart disease.

But **the benefit of quitting can be big!**

Help from the Quitline can increase your chances of quitting for good!
