OBJECTIVES...

- Identify the major components of evidence-based tobacco dependence treatment, as presented in the Clinical Practice Guideline for *Treating Tobacco Use and Dependence, 2008 Update*.
- Discuss evidence-based combination therapy of FDA approved medication(s) to help patients stop smoking.
- Explain how health care providers can remain motivated to treat patients that smoke.

AGENDA...

11:45 AM Pre-conference call workgroup – speakers meet to discuss logistics of call

12:00 PM Introduction & Welcome – Annie Beigel, Manager of Cessation Programs, New York State Department of Health Tobacco Control Program

Applying the 5 A’s in Practice

Geoffrey C. Williams, MD, PhD, University of Rochester Medical Center

Wrap up

This program has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for CME (ACCME) through joint sponsorship with the University at Buffalo School of Medicine and Biomedical Sciences and the NYS Tobacco Cessation Center Collaborative Statewide Conference Call Series.

The University at Buffalo is accredited by the ACCME to sponsor CME for physicians.

The UB School of Medicine & Biomedical Sciences designates this educational activity for a maximum of

1.0 AMA PRA Category 1 Credit(s)™.

Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity has been submitted to the New York State Nurses Association for approval to award contact hours.

The New York State Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

CASAC Clock Hours OASAS approved.

Application has been made to the American Association for Respiratory Care (AARC) for continuing education contact hours for respiratory therapists.
