New York State Cessation Center Collaborative Statewide Conference Call

An educational opportunity for Physicians, Nurse Practitioners, Physician Assistants, Nurses, Respiratory Therapists, CASAC, Pharmacists and other Allied Health Personnel.

March 5, 2014

12:00 Noon – 1:00 PM

Treating Pregnant Women's Tobacco Use and Dependence

Added Bonus: Implementation of the Opt-to-Quit™ Program
at the Stony Brook Long Island Children's Hospital

Presented by:

Todd R. Griffin, MD
Associate Professor and Chair,
Department of Obstetrics, Gynecology and Reproductive Medicine
Stony Brook University Physicians
Stony Brook, New York

Rachel Boykan, MD, FAAP
Department of Pediatrics
Stony Brook Long Island Children's Hospital
Stony Brook, New York

Helping pregnant patients quit smoking can be challenging. Yet, evidence-based strategies are available. Join us to learn about effective treatment for pregnant tobacco users.

As an added bonus, learn how the Stony Brook Long Island Children's Hospital has implemented the Opt-to-Quit™ Program to provide a healthier home environment for newborns and children.

**Agenda and call-in information will be forthcoming.
150 lines are available. Please share phone lines whenever possible.**
