

Primary Care Internist and Senior Attending in Medicine	1990-2001
Medical, Education and Scientific Foundation, Project Director, "Smoking Cessation" of New York State, Inc. in Clinical Settings	1998-present
ViaHealth, Rochester, New York: Director, Smoking Cessation	1999-2000

Memberships in Academic, Professional, and Service Organizations:

American Board of Internal Medicine, Certified 1986
 American Board of Clinical Lipidology
 American College of Physicians
 ASP Board, Specialist in Clinical Hypertension
 Society of General Internal Medicine
 American Academy on Physician and Patient
 American Psychological Association
 Medical Society of the State of New York
 Medical Society of Monroe County, New York
 New York State Tobacco Use, Prevention & Control Advisory Board (since 2001)
 Society of Behavioral Medicine
 Society of Research on Nicotine and Tobacco
 Society of Behavioral Medicine Finance Committee (2008- present)

Educational Contributions:

1. Medical Students

BPSMII Case Study & Clinical Reasoning, Faculty & Course Coordinator	1994-1998
Organ Systems, Course Coordinator and Faculty	1994-1998
IHHI Motivation and Smoking cessation lectures	1994-1998
General Clerkship - Part 1:	
Biopsychosocial Medicine Elective for MS IV	1994-1998
Senior Case Study Seminar, MS IV	1994-present
Evidenced-Based Behavioral Medicine for Ambulatory Clerkship	1999-present
ACGME Module 5, Motivation and Health Behavior with Cardiology	2008
Radiation Oncology	2007
Clinical Interviewing Sessions	2009
Mindfulness Sessions	2009

2. Supervision of Internal Medicine Residents, Postdoctoral Fellows:

R1 Challenging Case Conference (Weekly)	1994-1998
Biopsychosocial Medicine Elective in Doctor/Patient Dynamics	1994-1997
Advanced Biopsychosocial Fellowship Seminar and Interview Rounds	1994-2002
City-Wide Resident Symposium	1995-1997
Primary Care, Noon Lecture Series	1994-present
Resident Mentoring	1995-present
R1 Orientation	1996-present
Ambulatory Care Preceptor	1996-present
Basic Skills Rotation	1997-present

3. Undergraduate & Graduate Student Advising, University of Rochester:

Undergraduate Student Research Assistants (3 students)	1997-present
Supervising graduate students:	
Allan Zeldman, Clinical Psychology Ph.D. student	1999-2005
Elizabeth Cox, M.D.; Advisor for Master's thesis	1999-2000

Jennifer Carroll, MD; Research Mentor	2004-
Ren Yan Fang; Principal Mentor	
Member, Dissertation Advisory Committee:	1998-2002
Daryl Sharp Minicucci, MSN, RN, CS, Ph.D. Candidate, School of Nursing: "Perceived Practitioner Motivation for Smoking Cessation Intervention: Applying Gadow's Moral Framework for Nursing to Self-Determination Theory"	
Member, Dissertation Advisory Committee:	
Kelly McNelis	
Colmar Figueroa-Mosley; Mentor; Master's thesis committee	2006-2007
Edward Bender; Master's thesis committee	2008-
Lynn Wemett Nicholas, MSN, Ph.D. Candidate, School of Nursing: "Adherence of Women to Health Care Regimens"	2000-2004

4. Continuing Medical Education:

American Academy on Physician and Patient:

- Advanced Biopsychosocial Fellowship Development Course on Teaching Medical Interviewing, Sepulveda, CA. (Sept., 1994).
- Development Course on Teaching Medical Interviewing, Cleveland, OH (June, 1995).
- Development Course on Teaching Medical Interviewing, Burlington, VT (January, 1996).

Society of General Internal Medicine:

- Faculty, Workshop on an Intervention for the Prevention of Alcohol and Substance Abuse in the Primary Care Practice, Washington, DC (May, 1996).
- Faculty, Workshop: "Yes, You Can be Effective with the Somatizing Patient," Washington, DC (May, 1996).

Medical Educational & Scientific Foundation of New York, Inc.:

- Faculty, Train the Trainer Workshop in Smoking Cessation Techniques for the Medical Society of the State of New York (November 20, 1997).
- Program Chairman & Moderator, Smoking Cessation for Corporations and Managed Care: Health and Fiscal Benefits, New York, NY (April 8, 1999).
- Faculty Presenter for 100 programs throughout New York State on "Evidence-based Clinical Guidelines for Smoking Cessation" (total of 64.5 CME hrs., 1998-present)

Lipid Disorders Minifellowship.

- Office of Continuing Medical Education, School of Medicine, University of California San Francisco. (June 5-7, 2008).
- National Lipid Association, Masters Course, Chicago, Illinois. (September 24-25, 2008).
- National Lipid Association, Masters Course, Miami, Florida (April 29-30, 2009).

5. Other Teaching

University of Rochester:

- Department of Psychiatry, School of Medicine & Dentistry, "Human Motivation" Group Seminar, 1994-1997.
- School of Nursing, "Adolescent Health Risks", 1997-1998.
- Adolescent Medicine Educational Series, "Tobacco use, Adolescents, and Motivation", 2008.

Family Medicine, Highland Hospital:

- Interview Rounds, 1997-present.

Noon Hour Seminars at local Rochester, NY hospitals, 1994-2008.

Cardiology lecture series. 2007-2008

Community-Based Quality Improved Education (CBQIE), "Interdisciplinary Approach to Motivating Behavior Change" (sponsored by a grant to Richard Botelho, M.D., PI, 05/01/97-09/30/99).

Consultations to Universities, Health, and Science Agencies:

Group Health Cooperative, Puget Sound, Seattle, Washington, Smoking Cessation Program, "Free and Clear". Provide evaluation and feedback on screening and intake procedures and quality of interviewing. August 1999.

Consultation provided to 11 health care systems in New York State on "Smoking Cessation in Clinical Settings", 3/99 to present.

Medical Advisor to the New York State Quit-line, 7/04 – 6/06.

Consultation to Cecile Eigenmann, Research and Development Officer, The Diabetes Unit, Australian Health Policy Institute on application of the "Treatment Self-Regulation Questionnaire (TSRQ) to measure outcomes of diabetes education, March, 2007.

Professional and Administrative Service Assignments:

Senior Attending in Medicine, The Genesee Hospital, Rochester, NY	1989-2000
Member, Steering Committee, Program for Biopsychosocial Studies University of Rochester School of Medicine	1992-1995
Member, Steering Committee, Diabetes Care and Resource Center, The Genesee Hospital, Rochester, NY	1994-present
Blue Cross/Blue Shield Smoking Cessation Committee	1996-present
ViaHealth Smoking Cessation Committee	1998–2000
Curriculum Committee, "Introduction to Clinical Medicine"	1998-present
Community Advisory Panel, Blue Cross/Blue Shield of the Rochester Area <i>Coronary Artery Disease Secondary Prevention Guideline</i>	1998-present
Medical Advisory Team, American Cancer Society	2000-present
Lung Cancer Prevention Comm., <i>Project Believe</i> , University of Rochester	2000-2002

Research Activities:

National Research Service Award, Individual Postdoctoral Fellowship, National Cancer Institute. "Promoting Internal Motivation for Smoking Cessation". May, 1993-1996. Grant # 1 F32 CA60348-01, Award: \$33,000/year.

Principal Investigator, Bayer Institute. "Promoting Internal Motivation for Smoking Cessation". 1993-1995, Award: \$20,000.

Public Health Service-HRSA Grant for Faculty Development in Internal Medicine. Three-year funding for Fellowship in Advanced Biopsychosocial Studies. Period: July 1993 - June 1996.

Consultant, "Angina in Primary Care" (P.I., Alvin Mushlin). Agency for Health Care Policy and Research. Grant # R01 HS06901-02, 9/92 – 9/99.

Robert J. Haggerty M.D., Research Scholarship, The Strong Children's Research Center, University of Rochester School of Medicine and Dentistry. "Promoting Motivation for Adolescent Smoking Cessation". January 2, 1996 - December 31, 1996, Award: \$15,000.

Principal Investigator, NIH, NIDDKD. "Promoting Motivation for the Management of Diabetes". Grant # RO1-DK-50807-01A1. 8/1/96 - 7/31/2000. Award: \$1.2 Million Total Costs.

Co-Investigator, "Referrals in Primary Care" (P.I., Peter Franks). Agency for Health Care Policy and Research. Grant # RO1 HS09397-01, 1997-98.

Principal Investigator, NIH, NIMH and NCI. "Self-determination, Smoking, Diet, and Health." Grant # RO1 MH95954-01. 7/1/99-6/30/03, Award: \$2.3 million Total Costs.

Principal Investigator, NIH, NCI Behavior Change Consortium Dietary Validation Substudy. Supplement to R01 MH95954-01. 7/1/01-6/30/03. Award: \$159,000 Total Costs.

Co-Principal Investigator, New York State Department of Health Grant. Greater Rochester Area Smoking Prevention Project. Nancy Bennett, MD, MS, PI, Monroe County, NY Department of Health. 7/1/03-6/30/04. Award \$229,964.

Principal Investigator, NIH, NCI. "Self-determination and Maintaining Tobacco Abstinence. Grant # R01-CA106668. 3/1/04-2/28/09. Award: \$2.9 million Total Costs.

Principal Investigator, NIH, NCI. Administrative Supplement for Self-determination and Maintaining Tobacco Abstinence Genetic Testing/Pharmacogenomics. (R01-CA106668) Funded expected 10/1/04-9/30/06. Award \$129,000 total costs.

Collaborator, Michelle Fortier, PAC project: Integrating a physical activity counselor in the primary health care team: A randomized controlled trial, 10/04-07/06.

Mentor, NCI. Non-Competing Continuation for Research supplements for Underrepresented Minorities. Colmar Figueroa-Moseley.

Principal Investigator, NIH/NCI. "Real-time Assessment of Autonomy in Smoking Cessation". Grant # R21-CA119112. 8/13/2007-7/31/2009. Award: \$303,660 total costs.

Principal Investigator, NIH/NCI. "Creating a Virtual Clinician Research Tool". (R21-DA024262). 9/26/07-7/31/11. Award: \$246,833 (current project year, direct costs only).

Co-Investigator, The development and preliminary testing of a self-determination centred exercise consultation training program. Joan Duda, Ph.D., Principal Investigator. University of Birmingham, England. 2007-present.

Consultant, NYS DOH Tobacco Control Program. Daryl Sharp. "University of Rochester School of Nursing (URSON). Tobacco Dependence Intervention Program. Promising Tobacco Control Interventions. RFA 0409071050. 04/01/06-03/31/09.

Lamberti S, Principle Investigator. Williams GC Co-Investigator. Forensic Assertive Community Treatment: An Emerging Model of Service Delivery. R-34 NIMH.

Ren, Yanfang, Prevalence of tobacco dependence and intention to quit cigarette smoking in dental patients

Applications Pending Review.

Co-Investigator, Amy Gorin Ph.D., "Social Context of Health Behavior: Training Family Members to Support Weight Loss."

Principle Investigator. NIH Pioneer Award 2008. "Motivating Healthier Lifestyles: Supporting Practitioners and Patients."

Primary Mentor for K-07 Heather Patrick, 2008. "Late adolescents' health risk behaviors: Changes, predictors and consequences."

Co-Investigator, Jan Moynihan. "Palliative Care Consultation for Patients Undergoing Dialysis". Pilot project for R-21 submission.

Grants Pending Submission.

Mentor, NIH/NCI "A Communication Intervention for Physical Activity in Underserved Communities". K-07 Jennifer Carroll, 2008.

Consultant, Diane Ruth Lauver, "A patient-centered intervention for heart health in low-income women." UW-Madison School of Nursing. R-21.

Editorial Assignments in Professional Journals:

Archives of Internal Medicine
Annals of Internal Medicine
Family Systems & Health
Journal of General Internal Medicine
Diabetes Care
Health Psychology
Preventive Medicine
Teaching and Learning in Medicine
The American Journal of Managed Care
The New England Journal of Medicine
Journal of Applied Social Psychology
The Spanish Journal of Psychology

Membership and Participation in National/Advisory and Health Councils and Research Review Committees:

- Evaluation Committee, American Academy on Physician and Patient (formerly the Task Force on Doctor and Patient of Society of General Internal Medicine), 1991-present.
- Society of General Internal Medicine, Abstract Review Committee member for Psychosocial/ Behavioral Medicine, 1996.
- Society of General Internal Medicine, Abstract Review Committee Co-chair and Session Moderator for Psychosocial/Behavioral Medicine, 1998, 2006.
- Co-editor of the Health and Human Behavior Research column for the Medical Encounter (American Academy on Physician and Patient), 1998-2000.
- Professional Assisted Cessation Therapy, (PACT), an independent body of multi-disciplinary experts in smoking cessation, Co-chairs Dorothy Hatsukami, Ph.D., Professor of Psychiatry, University of Minnesota, and Thomas J Glynn, Ph.D., Director of Cancer Science and Trends, American Cancer Society, Washington, D.C., 1999.
- Society of Behavioral Medicine. Abstract Review Committee 2002, 2006.
- Society of Behavioral Medicine. Nominating Committee 2009.
- Society of Behavioral Medicine. Nominating Committee 2010.

Grant Review Assignments:

- Grant Review Committee, FCAR (Fonds pour la Formation de Chercheurs et l'Aide à la Recherche), a Quebec granting agency under the direct responsibility of the Ministère de la Recherche, de la Science et de la Technologie. November, 2000-November, 2001.
- National Heart, Lung and Blood Institute (NHLBI), NIH Special Emphasis Panel for Demonstration & Education Research Grants (R18 Program), 06/26/02, Silver Springs MD.
- National Institute of Diabetes and Digestive and Kidney Diseases, Special Emphasis Panel, Translational

Research for the Prevention and Control of Diabetes (ZDK1 GRB-B(J1)). November 19, 2002 Bethesda MD.

National Institute of Mental Health. Scientific review of R01 TW05598-03. August 12, 2003.

National Heart, Lung and Blood Institute (NHLBI), NIH Special Emphasis Panel for Demonstration & Education Research Grants (R18 Program). 11/13/03-11/14/03 in MD

National Heart, Lung and Blood Institute (NHLBI), NIH Special Emphasis Panel for Demonstration & Education Research Grants (R18 Program). 2004/10 Council ZHL1 CSR-C 01 S, 7/8/04, Patricia Haggerty, SRA.

National Heart, Lung and Blood Institute (NHLBI), NIH Special Emphasis Panel for Demonstration & Education Research Grants (R18 Program). 2004/10 Council ZHL1 CSR-C 01 S, 12/06/04, Patricia Haggerty, SRA.

National Heart, Lung and Blood Institute (NHLBI), Reviewer. Klesges, Robert, U. TN, "Efficacy of a smoking quite line in the military" (amended app).

Diabetes UK (The leading UK charity working for people with diabetes). Review of grant proposal in response to "Care and Treatment." November 2007. www.diabetes.org.uk.

NIH. Grant review of dissemination and implementation of research applications. 2007/05 ZRG1 HOP-S (51) (R).

Stemmler Medical Education Research Fund (The Stemmler Fund) of the National Board of Medical Examiners. Reviewer. "The Premedical Student: Training and Practice Expectations". April/May 2008.

The Health Research Council of New Zealand (HRC) in partnership with the Ministry of Health. Motivations for quitting smoking and staying quit in Maori, Pacific and low-income New Zealanders. September – October, 2008.

Department of Health and Human Services National Institutes of Health National Heart, Lung, and Blood Institute, special emphasis panel. Two Research Demonstration and dissemination Project application reviews. December 11, 2008.

Challenge Grants Editorial Panel 3. June 2009.

Challenge Grants panel 24. June 2009.

Presentations at Major National Professional Meetings:

1. Invited workshop. Research and Motivational Interviewing. Case Western University. October 7, 1994.
2. Teaching Medical Interviewing: Collaboration as the Cornerstone. Beyond denial: motivational interviewing. Case Western Reserve University School of Medicine, Cleveland, Ohio, October, 1994.
3. Compliance or autonomous regulations: new insights about adherence to medical regimens. Abstract presented at the Society of General Internal Medicine Annual Meeting, May, 1995.
4. Motivation for choosing Internal Medicine and Surgery. Presented at the Society of General Internal Medicine, May, 1995.
5. Invited Presentation, Promoting Internal Motivation for Smoking Cessation, Bayer Institute, San Diego, CA. October, 1995.
6. "Is interest or perceived competence a more important predictor of career choice?" Presented at the Eighth Biennial Teaching Internal Medicine Symposium, University of Washington School of Medicine, Seattle, Washington, September 14-16, 1995.
7. The National Cancer Institute Guidelines for Smoking Cessation: Do They Motivate Quitting? Presented at the Society of General Internal Medicine, May, 1996 Annual National Meeting, Washington, D.C.
8. A Randomized Controlled Experiment in Longitudinal Clinics for Medical Students. Presented at the Society of General Internal Medicine, May, 1996 Annual National Meeting, Washington, D.C.
9. The National Cancer Institute Guidelines for Smoking Cessation: Does Physician Communication Style Promote Motivation? Presented at the Teaching about Communication in Medicine Conference, Oxford, England. July 24th - 26th, 1996.
10. Promoting Motivation for Diabetics' Self-Regulation of HgbA1c. Presented at The American Diabetes Association 56th Scientific Sessions, San Francisco, CA. June 8-11, 1996.
11. Invited Presentation, Self-Determination and Promotion of Health Behaviors: Teaching the Medical Interview, a Faculty Development Course, University of Vermont, Burlington, VT, January, 1996
12. Invited Presentation, Supporting autonomy and promoting maintained health behavior change. Beaver College Graduate Colloquium Series. Beaver College, Glenside, PA, April, 1996.

13. Invited Presentation, How to Help Your Patients Stop Smoking. Blue Cross, Blue Shield of the Rochester Area, Community Rounds, Late Fall Course. Rochester, NY, Dec. 1996.
14. Summary of Federal Guidelines-Effective Smoking Cessation Treatments. Presented at Smoking Cessation for Corporations and Managed Care. MESF. New York, New York, April 8, 1999.
15. Self-determination and health. Presented at Research on Cross-Cutting Principles of Behavior Change, Adherence, and Mental Health. National Institute of Mental Health. Bethesda, MD. May 20-21, 1999.
16. "Does the Quality of Physician-Patient Interactions Effect Patient's Smoking Cessation? Annual American Psychological Society Meeting, Denver, CO, June, 1999.
17. Seminar Society of Behavioral Medicine. Translating Theories to Interventions Over the Life Course: Illustrations from the BCC. Self-determination, Smoking, Diet, & Health. SBM Annual Meeting, April 2, 2002. Washington D.C.
18. Self-determination and Practitioner Adherence: Closing the Treatment Gap. The Innovative Adherence Research Meeting. April 1, 2002. National Institute of Mental Health. Washington D.C.
19. Adherence Workshop. National Institute of Mental Health/division of Mental Disorders, Behavioral Research and AIDS. October 8, 2002 Washington D.C.
20. Tobacco Control Program. Cessation Contractors Meeting. Smoking Cessation in Clinical Settings: Summary of the MESF Program. New York State Department of Health. Oct 9, 2002, Albany New York.
21. MDTRC Measurement Core Workshop. Links between measuring diabetes care motivation and self-management behaviors. Jan. 29, 2004.
22. URMC's *16th Annual HIV/AIDS Clinical Conference*. RIT Inn & Conference Center, Henrietta, NY. 05/19/06.
23. Jubilee Conference on Lung and Heart Rehabilitation, Motivation and Health. Keynote presentation, Bergin Norway. The Importance of Autonomy and Autonomy Support in Health Behavior. May 30, 2006.
24. NIH *Office of Behavioral and Social Sciences Research 10th Anniversary: Celebrating a Decade of Progress and Promise*. June 21-22, 2006
25. 26th ICAP, Athens Greece. Theory-based change of health behavior: What are the advantages of different models and how can they contribute to each other? July 17, 2006.
26. University of Rochester, Department of Psychiatry Grand Rounds. February 7, 2007.
27. University of Rochester, Department of Medicine Grand Rounds. Effective Brief and Intensive Tobacco Dependence Treatment. March 6, 2007.
28. Park Ridge Hospital, Grand Rounds. April 3, 2007.
29. Rochester General Hospital, Grand Rounds, Rochester Health Institute Cardiology, May 31, 2007.
30. International Society of Behavioral Nutrition and Physical Activity (ISBNPA). Oslo, Norway. June 20-23, 2007.
31. ADA, 67th Scientific Sessions, Chicago. How the Provider Influences the Enhancement of Patient Autonomy. June 22 – June 26, 2007.
32. Rochester General Hospital, Grand Rounds/Morbidity Mortality conference on smokeless tobacco, lipids and health. November 15, 2007.

33. NCI RFA CA-04-009 Mechanisms of Physical Activity Behavior Change. Keynote Presentation. Self-Determination Theory and Physical Activity. November 28-29, 2007 (NIH Main Campus, Bethesda, Maryland).
34. University of Birmingham, College of Life and Environmental Sciences, School of Sport and Exercise Sciences, Birmingham, England, Self-Determination theories on health: with 3 stories and a poem. January 25, 2008.
35. Oxford University, Department of Primary Health Care, Oxford, England. "Self-Determination theories on Health". January 24, 2008.
36. Important Other Autonomy Support and Motivation to Stop Smoking has been selected for presentation as a poster presentation at the Society for Research on Nicotine and Tobacco's 14th Annual Meeting on February 27-March 1, 2008 at the Hilton Portland & Executive Tower in Portland, Oregon. Your presentation will be identified in the program as *Poster Session 3, Poster Number 60* and has been scheduled for *Friday, February 29, 2008, 11:30 am - 1:00 pm* at the Hilton Portland & Executive Tower.
37. Niemiec CP, Williams GC. Self-determination theory and medication adherence: Toward reducing the health risks of diabetes. Unpublished manuscript University of Rochester, 2007. for presentation at the Society of Behavioral Medicine's 29th Annual Meeting and Scientific Sessions, which will be held March 26 - 29th, 2008, at the Manchester Grand Hyatt in San Diego, California.
38. Department of Psychology, Colloquium Series, Syracuse University, March 17, 2008.
39. American Society for Bioethics and Humanities 2009 Annual Meeting. "The Need to Move From Respecting To Promoting patient Autonomy In Chronic Illness Care". October 15-18, 2009, Washington, DC. Presented by Mark Sullivan, MD, PhD, Geoffrey Williams contributor.
40. NIH presentation, Health Maintenance Consortium Conference. "Supporting Autonomy and Perceived competence to Facilitate Long-term Tobacco Abstinence." March 2-3, 2009, Bethesda, MD.
41. NELA 2009 Scientific Forum, Boston, MA, June 14, 2009, Improving compliance Through Effective Counseling and Motivational Interviewing.
42. ISBNPA presentation on NIH translation initiative, June 19, 2009.
43. University of Oklahoma School of community Medicine, Tulsa, Oklahoma 2009 summer Institute, July 29, 2009.
44. Psychiatry Grand Rounds at Memorial Sloan Kettering Cancer Center, NYC, NY, September 18, 2009.
45. NIH presentation October 8, 2009, Creating a Virtual Clinician Research Tool.
46. NIH presentation October 9, 2009, Creating a Virtual Clinician Research Tool.
47. Key Note Speaker, November 19-21, 2009; XIII Congress Obesity Conference; Portugal.
48. National Cancer Institute's Behavioral Research Program (BRP), NIH, January 2010

Future Invited Presentations

1. Continuing Education audio conference, NYS Department of Health Tobacco Control Program and the University at Buffalo School of Medicine and Biomedical Sciences. May 5, 2010
2. Fourth International conference on Self-Determination Theory, Gent, Belgium, May 13-16, 2010.
